

# Become a VRU Education Hive Champion

The VRU are seeking to identify champions to help pioneer the 'Education Hive', an exclusive community for education leaders and key partners who want to make Greater Manchester a safer place for the children who live here.

The 'We Are Greater than Violence: Education Hive' is a free, supportive learning space that aims to create a sense of comradeship across the sector by offering solutions, discussing common challenges and providing collaboration opportunities around violence reduction.

It has been developed as a direct response to feedback received from the education sector about wanting more support to enhance local connections and facilitate learning opportunities.

If you have any questions or queries please contact:  
[Jamie.fallon@greatermanchester-ca.gov.uk](mailto:Jamie.fallon@greatermanchester-ca.gov.uk)

If you want to take the lead in helping us develop and design phase one of the platform, here are **3 simple steps to join the Education Hive**

1. **Join Knowledge Hub as a member.**
2. **Request to join the Hive here**
3. After you've been admitted to the Hive, **get started by looking through the platforms current content, adding your own, and commenting on discussion topics** in relation to keeping children safe in school.

Handy how to guides can be found here: [Members - Knowledge Hub \(khub.net\).](#)
